

FREQUENTLY ASKED QUESTIONS ABOUT CHURCH DURING COVID

updated 06/16/2021

Do I need to register to attend a worship service?

Registration is no longer necessary for Sunday morning services or for C3 Kids.

Which worship services will be available?

Services and C3 Kids ministry are currently held at 9 and 11 am.

Will worship services continue to be streamed online?

Yes, both services will be livestreamed on our [website](#), on [YouTube](#), and [Facebook](#) at 9 and 11 am. Additionally, our services are posted on our website and Vimeo for on-demand viewing. You can also listen to Sunday sermons on Apple & Google Podcast, Spotify, Amazon Music and TuneIn+Alexa.

If you have had a recent fever, experienced other COVID symptoms, have had contact with a person know to have COVID in the 14 days prior to the service, are considered high risk for contracting COVID, or have any concerns about being in a large gathering, please stay home and join us for worship online

Who is required to wear a mask/face covering?

While we continue to recommend all congregants carefully consider [CDC](#) and [ADH](#) guidelines for vaccinated and unvaccinated individuals, we will no longer mandate masking for participation in any C3 ministry. We trust individuals and families to exercise wisdom and personal responsibility as we continue to navigate this season together.

Should you continue wearing a mask, we ask that you provide your own mask/face covering to attend services. If you do not have a mask, we will have a limited supply available.

What safety measures are being taken?

- Plan to maintain proper 6-foot social distancing at all times (*refer to "How will we maintain social distancing?" for further details*).
- Hand sanitization stations will be provided at the entrance to Warrior Hall.
